The Brother Rice Varsity Rugby Team has once again been selected to participate in the

## **USA RUGBY HIGH SCHOOL NATIONAL CHAMPIONSHIPS**

MAY 14-16, 2015 in Charlotte, North Carolina.

Only 24 teams across the United States are selected for this amazing honor. The Varsity team won the National Title in 2013 and were in the championship game in 2014.

The National Championships have been held in Elkhart, IN very close to Brother Rice. However, the championships have now been moved to a brand new Rugby Athletic Center in North Carolina. We need your support to help attain our financial goals to get the team to Charlotte and give the Brother Rice Rugby team their opportunity to achieve a major goal in their young rugby careers and bring further recognition to Brother Rice High School.
